

NEW PRODUCT

ABOUT THIS PRODUCT

Gerko Speed clearcoat UHS is a top quality clearcoat with extremely fast drying times. The Clearcoat can be polished after 2 hours at 20°C or only 5 minutes at 60°C. The long flash off time of the product allows you to paint large areas and indeed whole resprays. The finished coat has a high gloss level, excellent durability and is scratch resistant. Due to the technology and properties of Gerko Speed clearcoat UHS, there is only one universal hardener required.
