

## TECHNICAL DATA SHEET

# POLYESTER OVERALL

The polyester overall from Gerko is a blue spray overall made of 100% polyester. This overall is blue in color, so that no reflection is created in the paint during the spraying of vehicles.

It is pleasant to wear and has air ventilation in the armpits, which ensures optimal heat regulation.

### PROPERTIES

- 100% polyester
- Flame retardant
- Blue in color for minimal reflection in the paint
- Lint-free, silicone-free, anti-static
- Equiped with air ventilation on the armpits for optimal heat regulation
- Equiped with a hood
- Equiped with 2 pockets at the back
- Elastic hood, elastic band around ankles, wrist and waist, 2-way zip with flap
- Washable at 30°C or dry cleaning
